ATTENTION, ESL PROVIDERS: Upcoming change

The following was distributed to KYAE program directors.

Attention, ESL Providers!

Please be advised that effective July 1, 2016, Kentucky Adult Education will no longer recognize Best Plus and Best Literacy as assessments for ESL performance. All programs currently using either assessment should use the next fifteen months to transition over to the CASAS Life and Work Skills series.

KYAE is examining TABE CLAS-E assessment as a potential, additional ESL assessment and is working with a few counties to pilot the TABE CLAS-E.
